

Director of Student & Young Adult Ministries (30 hours/week)

Westheights Community Church
(Kitchener ON)

Overview of Westheights Community Church:

Westheights Community Church is a vibrant, progressive community church located in the west side of the City of Kitchener. The church was planted in the late 1970's when a group of people with a desire to reach out to a rapidly growing area of the city began meeting. Since then, the Westheights story has been one of growth and innovation as the congregation strives to be a contemporary Anabaptist expression of the Kingdom of God in Kitchener-Waterloo.

Pre-covid our Sunday morning attendance averaged 250 with a contemporary worship style, casual dress and an atmosphere of acceptance. Our desire is to help people develop a faith that transforms heart and mind and can be lived out well in daily life. During the COVID-19 pandemic the majority of our ministry activities, including [Sunday services](#), have pivoted to being online. This fall we have resumed meeting in-person and are livestreaming our service to those who remain at home.
