

Senior Pastor Position Available Sixth Line Be In Christ Church (Stayner, ON)

Sixth Line Be In Christ (BIC) Church is currently seeking a full-time Senior Pastor to lead the church into a new season of ministry coming out of the pandemic.

We are a family oriented church in a beautiful country setting in the heart of Ontario's Blue Mountain region near the communities of Stayner and Collingwood. Over the 100+ years our congregation has existed we have focused on following Jesus, caring for each other and reaching out. Our Sunday morning gathering currently averages 50 people present with others joining via livestream and includes representation of all ages. Ministry to our children and youth is important to us. We have an excellent facility including a large gym. Our desire is to be a fellowship which is growing spiritually and seeing new friends added to the church regularly. We seek to embody the values of faith, family and friendship. The church is part of the Be In Christ Church of Canada (beinchrist.ca).

We are searching for a Pastor who would embrace ministry in a country setting. An ability to be a shepherd – to love and relate well to people - will be essential for success in this setting. Since the Senior Pastor will have the primary preaching role, we desire the ideal candidate to have strong preaching / teaching skills with an ability to apply scripture to real life. Demonstrated experience in local church leadership, overseeing management of a congregation, and an ability to foster a culture where people can work together toward a common vision are all important parts of this role.

The candidate should embrace the values of the BIC and be able to be credentialed by the denomination. A Bible College degree or equivalent theological training is required. This is a full-time position including salary and benefits. You can find out more about the church at sixthlinechurch.com.
