

Lead Pastor Position Available

Bluewater Church

(Kincardine, ON)

Bluewater Church is seeking a Lead Pastor who can build on what has been established and move the church into the future. This could be a full time or part time position.

We are a family-oriented church that is part of the Be In Christ Denomination (beinchrist.ca - rooted in the Anabaptist and Wesleyan faith traditions). The church was planted over the last 10 years with a vision of forming a group of followers of Jesus who could support one another and reach out to the people of the Kincardine area with the good news. We have grown to a congregation of about 60 people and operate out of a leased space on the Main Street called "The Bridge" where we offer programs for the community and gather as a church. We moved services online during the pandemic and are now getting back to resuming weekly in-person gatherings. Our small groups called "moorings" are a very important part of what we do. We also operate a monthly dinner church program.

Kincardine is a beautiful community located on the Lake Huron shoreline which has long been a popular vacation destination. The harbor area is particularly stunning as are the sunsets. The town is a great place to work and live with excellent recreation facilities. The nearby Bruce Power generating station is a major employer.

As a church we feel we have made a good start but we want to continue to grow. We are searching for a Pastor who loves Jesus, loves people and would like to make their home in a growing small Ontario community. Other valued giftings include: preaching / teaching skills; an ability to lead well; organization; and an ability to foster a joyful church culture where people want to be involved and where they can work together toward a common vision. The right person should be comfortable working in a non-traditional setting, who relates well to unchurched people, and has hopes and dreams for what a younger church plant can become.

The candidate should embrace the theological distinctives of our denomination and be able to be credentialed for ministry. A Bible College degree or equivalent training is preferred. This position includes benefits and pension. The BIC ordains women for ministry and as a church we are committed to equality of opportunity. You can find out more about the church at bluewaterchurch.ca.

Please submit resumes and enquiries to Melanie Wigg, The Be In Christ Church Of Canada (melanie.wigg@beinchrist.ca). We appreciate all submissions but only those selected for further consideration will be contacted. The search will remain open until a suitable candidate is found.
