

Pastoral Position Available

New Life Christian Church (Scarborough ON)

New Life Christian Church is a family oriented, Bible-believing community of faith in Toronto ON Canada that desires to see people established in their faith in Christ. Our desire is to be a gospel preaching church for the people of Toronto that strives to help us reach our friends and neighbors for the Lord. We are a rich blend of mostly immigrant people from a diversity of cultural backgrounds (the majority would have been originally from India). We are searching for an experienced Lead Pastor who will be a spiritual shepherd to our people.

The church began 23 years ago as a re-start from 2 merging congregations and has dual denominational affiliation (Be In Christ / Mennonite Brethren). Our church building is located in Scarborough (Shepherd & Victoria Park area) but we are very much a regional church with congregants scattered across the GTA. We gather corporately on Sunday mornings for worship, teaching and fellowship together (most stay around for our fellowship meal following the morning service). We have a healthy cross-section of ages in the congregation. Sunday morning attendance averages 100 with a contemporary worship style. For many the church is really their newfound family. Cell group meetings and other groups that meet throughout the week provide means for connection and discipleship. We place a high value on caring for one another.

We seek a Pastor with at least 5 years' Pastoral experience (preferably in a multicultural setting) with a demonstrated gift for expository preaching. Our preferred candidate would have a love for Christ, great people skills, and a willingness to serve that goes beyond simply seeing this as a job. We require someone with a minimum of a degree in Biblical Studies with additional levels of training being an asset. An ability to raise up and work with leaders is also valued.

This is a full time position. Start date is flexible. Compensation includes benefits, pension and expenses. Credentialing with both the Canadian Conference of the Mennonite Brethren (onmb.org) and The Be In Christ Church of Canada (beinchrist.ca) would be a condition of employment. You can find out more about the church at newlifetoronto.com.
