

Lead Pastor Position Available

Waypoint Church - Oakville ON

Waypoint Church (formerly Halton-Peel BIC Church) is a vibrant community of over 150 families centered in Oakville ON and serving the regions of Halton and Peel. We have a 20 year history as the original site of the former Meeting House. We are a congregation of the Be In Christ Church of Canada (beinchrist.ca). We have been working at a fresh beginning as we recover from the upheaval surrounding the departure of our former teaching Pastor. In the midst of a difficult journey we have found healing and sensed God's promise of a better future. We have a new name and a re-focused identity as we move out of our re-starting phase. We are in the process of getting ready to move into a new meeting space to house our growing ministries. We have a strong leadership core and gifted staff team already in place as well as the blessing of reserves to help fund our endeavours in the future. We are very committed to our anabaptist / Jesus-centred convictions as we seek to introduce people to a life-giving faith. We place a high value on good teaching, inspiring worship, family, relational connections and compassionate engagement with our community. <https://haltonpeelbic.churchcenter.com/home>.

We are searching for a Lead Pastor who loves Jesus, possesses an entrepreneurial spirit and demonstrated gifts of teaching and leadership. Our ideal candidate would embrace our Anabaptist, Wesleyan and Evangelical distinctives and would have had experience as a Lead Pastor or worked as part of a ministry team in a multi-staff church. It is essential that our candidate welcomes the opportunity to live in an urban Canadian centre. We hope for an effective leader who operates out of a posture of humility and a transformational personal walk with the Lord they invite others into. A minimum of an undergraduate degree in Biblical Studies is preferred. Credentialing with the denomination is required. This is a full-time position including salary, benefits and retirement savings plan. Funds for relocation will be provided if needed.

If this describes you and would be something you feel God might possibly be leading you toward, please submit a resume and cover letter with a brief bio to Charles Mashinter (Executive Director – BIC Church Of Canada)

charlie.mashinter@beinchrist.ca. The posting will remain open until we find someone who we sense is the right fit.
